## Tours

### FULL DAY OUTER REEF SNORKELLING CRUISE

**Departs:** Mon-Sun (daily), Year Round

**Departure Point:** Crystalbrook Superyacht Marina, Wharf St, Port Douglas QLD 4877

**Time:** 8:10am – 4:00pm

### Tour Highlights and Inclusions

Wavelength is locally family owned and operated. Our team are either marine biologists, or have spent much of their lives on the reef. This is our specialty, so you have our full attention. Our over 30 years of local operation means we have a wide selection of superb exclusive outer reef sites hand-picked for snorkellers.

In keeping with our core philosophy of low impact tourism, Wavelength has a maximum group size of only 50 passengers on a custom designed & Australian built boat.

The day with Wavelength includes the following;

- Tuition and use of high quality snorkelling gear
- 3 Exclusive Outer Reef snorkelling sites
- Guided snorkel tour
- Reef ecology presentation with qualified Marine Biologist
- Gourmet lunch roll
- Morning and afternoon tea
- Tea, coffee & fresh drinking water all day
- Wetsuits or lycra suits (depending on the season)
- Complimentary photos of the day
- Reef Safe Sunscreen – available on the vessel for your use

We're a dedicated small team passionate about the Great Barrier Reef!

### Product Description 50 Words

Wavelength is a locally family owned & eco-accredited outer GBR cruise focusing on snorkelling, reef interpretation, small groups, exclusive sites, and vibrant marine life. Our team are all marine biologists or have spent most of their lives on the water and are passionate about the reef and helping visitors learn more.

### Product Description 100 Words

Wavelength is a locally family owned & eco-accredited outer GBR cruise who focus on snorkelling, a high level of interpretation, small groups, exclusive sites, and vibrant marine life. Our team are either marine biologists or have spent much of their lives on the water – we're passionate about the reef and helping visitors learn more about the wonders of this world heritage listed area.

Be immersed in the most pristine coral gardens amongst abundant wildlife at Wavelength's own unique locations. We strive to do everything possible to provide the best outer reef experience available, in a low impact way.
